

# Colours of Country with Virginia

This hands-on workshop looks at colour as a way of thinking about place, memory and feeling. Participants create a small collage using coloured paper, layering and simple composition. The session is thoughtful and creative, welcoming both those new to art making and those interested in learning about colour in new ways.

**Friday 17 July 2026**  
**10:30am to 12:30pm**  
**Rockdale Library**  
**444-446 Princes Hwy**

Registration is essential!
