

Contemporary Marbling Workshop

create marbled designs on paper and silk

Come along to learn the craft of marbling on paper and fabric surfaces. We will explore the process and equipment required to create a water bath for the technique application, colour combinations and how to troubleshoot when challenges arise.

You will take home a variety of greeting cards and your final project - a silk scarf that you marble dyed.

Friday 8 May 2026
10:30am - 12:30pm

Sans Souci Library
104 Russell Avenue

Registration is essential
